## BECOME A MEMBER OF TAMA TODAY!

### FULL MEMBERSHIP - \$100.00

Full memberships are available for employees and professionals of manufacturers whose production facilities are located in northeastern Oklahoma. Full members may also be administration and faculty of educational institutions and non-profit organizations that support the manufacturing industry in this geographical area.

### ASSOCIATE MEMBERSHIP - \$250.00

Associate memberships are available to employees and professionals of service providing organizations. Potential members that do not fit the criteria for full membership are recognized as associate members. Examples of associate members may include banking executives, health and safety product suppliers, sales professionals and many others.

### MEMBERSHIP APPROVALS

Each potential member is vetted by the membership committee. This ensures that TAMA's membership remains focused on manufacturing in the Tulsa area. Membership approvals are conducted monthly. If you are interested in membership, but have questions, email [membership@tamatulsa.org](mailto:membership@tamatulsa.org).
